### EFFECTIVE JULY 1, 2011

NEW MANDATORY OFF-HIGHWAY VEHICLE (OHV) EDUCATION LAW IN EFFECT FOR IDAHO.

IDAHO (May 12, 2011) during the 2011 legislative session, the Idaho Recreation Council worked with legislators to pass SB1001. The passing of this bill brought a couple of key changes to Off-Highway Vehicle (OHV) education requirements in Idaho.

#### How does this impact you?

All unlicensed riders who wish to operate an OHV on National Forest roads are required to take an OHV safety course.

All riders age 15 and under who wish to operate an OHV on roads must be supervised. The definition of supervision was clarified to mean that if you are riding on any road with your child you must be in a position to provide close support, assistance or direction. If you are not riding with your child you must be within 300 ft when supervising their operation on any road. You must be in a position to provide close support, assistance or direction.

## Special Ride this Fall for Jeff Knowles

When planning your next vacation, load up your 4-wheelers and UTV's and come join us for a great riding experience. You will access trails right from your camp site and down the city streets. Utah is the friendliest ATV State in the country! We want you to join in and ride with us. I thought North Idaho had some of the greatest trails until we discovered Utah. If you like the trails around Wallace, then multiple it by 100. Like to fish? Pack your fishing gear and get ready to fish off of the trails.

There are many small towns along the way to gas up and get some great food.

When making your reservations, tell them you heard about it from Jeff and Jeanne and I will make sure you get a great deal on your stay. Let me

know when you are heading our way and I will plan a great outing to make sure you see some spectacular sights.

Lizzie and Charlie's RV/ATV Park is located in the heart of Paiute Trail in Marysville, found in South Central Utah. The Paiute Trail is a 238 mile loop over 3 mountain ranges offering over 800 miles of intersecting trails, travel through many small towns, offering food, accommodations, gas and enjoyment for those who want to experience a great trail riding vacation.

Lizzie and Charlie's RV/ATV Park is located approximately 890 from you in North Idaho, a

quick 15 hour trip down Interstate 15. We have over 100 RV spaces, 10 cabins and 2 or 3 bedroom cottages available along with many tent sites. So, next summer, get the gang together and make the trip down here, you will not be disappointed. As Earl always said "Let's Ride".

As you have all noticed by now, the Paiute Trail article has been in the last few news letters. I wanted to let you know that Bert and I have made our reservations for the 10th of September for a week. It sure would be great to have some other club members show up. From what I hear, we could get a discount on our camping fees if we get a group to come down. I have some of the prices for the campground and they are as follows:

Cabins \$75.00 and up per day (there are different size cabins), RV spaces \$29.00, they also have dry camping available.

I suggest that you make your reservations early, as September is a good time to ride. Any earlier, it is too hot. You can call them at 435.326.4213. Hope to see a bunch there. It will be a lot of fun to ride where the place is ATV friendly.

## RATHDRUM DAYS PARADE

If you were anywhere near Rathdrum July 15<sup>th</sup> and 16<sup>th</sup>... you were part of the annual Rathdrum Days festival. This year, the weather was beautiful, the people friendly and the times were fun. With 65 entries in the parade, Back Country ATV was right in the middle... tossing candy out to the children waiting along the curb. There were people of all ages waving and cheering as our group of ATV riders passed by. We do need to carry more candy however. With so many people turning out to watch the parade we ran out of candy before the end of the parade.

Pictures are placed throughout this newsletter so enjoy. Next year... Let's make a goal to have twice as many riders. It was a fun time enjoyed by all.

## BACK COUNTRY ATV CLUB RIDE SCHEDULE 2011
