**MEDSTAR-MEDEVAC**

At our last meeting we had a guest speaker, Mary Gilmore, a Community Relations Coordinator for Northwest MedStar, critical care transport service. She conducted a slide show about all of the services that this program offers. It is a program where if you are ever hurt and need to be evacuated to a hospital, and you are a member of MedStar, the helicopter, or ambulance will transport you there, with no cost to you. She indicated that usually a helicopter ride would cost in the thousands. She showed all about the group of folks that make up the MedStar unit in the Northwest area too. It was really too bad that a lot of you were not there to hear her, as I am sure that some of you would be interested in this program. If you would like to contact her, and get this information here is how you do it. Contact Mary Gilmore, MS, Community Relations Coordinator, PO Box 11005, Spokane, Wa. 99211-1005. Phone numbers are 509.532.7964, or 509.389.5665. E-mail is [gilmormk@nwmedstar.org](mailto:gilmormk@nwmedstar.org). If you have any youngsters this is certainly something you might be interested in. The cost is only \$59.00 a year for the whole family.

## RATHDRUM MOUNTAIN ADVENTURE RACE

Don Remus talked about the upcoming Adventure race on Rathdrum Mountain this coming September 12<sup>th</sup>. They are looking for folks to volunteer to be on the road portion for the bicycles to guide them along the route, so they don't take any turnoffs and get lost. When this part of the race is over (after about two hours or less) you are free to ride the Inland Paper trails all the rest of the day for free. If you would like to be in on this, be at Stein's IGA parking lot and ready to leave at 6:50am on Saturday morning to be able to be in place on time. In addition, there will be a spaghetti feed for the volunteers the night before the race, where you will also receive your T-shirt. If you would like to be a volunteer, call Don at 687.5161, give him your phone number and shirt size.

## TRAIL CLOSURES IN TRAVEL PLANS

I received the following two notices. The Clearwater National Forest released their Travel plan DEIS on July 17<sup>th</sup>. To make it short, the crux of it said that trail bike riders and snowmobilers have the most to lose in this plan. Snowmobilers lose access to the Great Burn and Mallard Larkins under the preferred alternative C. The preferred alternative also kicks mountain bikes (AND MOTORIZED USE) out of these areas. Motorcyclists would lose 200 miles of trail (40%) over the existing condition.

Kootenai National Forest – Three Rivers Ranger District. The Kootenai National Forest, located in northwest Montana and northeast Idaho has completed their Environmental Assessment (EA) for the Three Rivers Ranger District's Motor Vehicle Use Project on July 5<sup>th</sup>. Alternative C has been identified as the agency's preferred alternative and includes designating as legally open to motorized travel, approximately 500 miles of CURRENTLY OPEN ROAD, adding and designating 13 route (1.79 MILES) to the National Forest road system, A MOTOR VEHICLE PROHIBITION ON 161 MILES OF TRAIL, AND A PROHIBITION FOR CROSS-COUNTRY MOTOR VEHICLE USE ON 42,000 ACRES OF DISTRICT LAND IN IDAHO.

## GRANT APPROVED

As most of us know, Back Country ATV, Assn. Inc. had put in for a grant to install mile markers on the 800 trail. It was to purchase the signs, and associated equipment to do the task. Steve Harper and Bill Tapper were the authors of the grant, and did a great job. It got through the process at this time of the year when things are tight. Anyway, now that it is approved, we will be getting the funds for it in the next month or two. We will be needing about a half dozen people to help install the signs when the time comes. If you would like to be part of this undertaking, which I hope you will, please give Steve, 398.6821, or Bill, 772.3673 a call. Hopefully, this will make the Forest Service "Big Kahoonah" smile upon us.

## CAMPOUT & RIDES

Don't forget that the Campout and ride is coming up fast. It is August 14th-15th and 16<sup>th</sup>. We still have a couple of reserved spaces open. There is water and electricity at the sites with a dump station. If you would like to attend give Bert a call at 683.0526 and she will put you on the list. If you come, bring some fire wood for the fire pit, (if we are able to have a fire at the time). We usually have a pot luck dinner during the campout, so you can also bring something for that too. Oh yeah, don't forget your machines, can't ride without them.

## LOOKING FOR HELP

As I mentioned at the last meeting, it's starting to wear down a little on me. By that I mean, that I would like to have some help from some of the club members with the following. I need to have a Ride Coordinator. They would not necessarily have to lead the rides, but it would be nice, just set them up and schedule them. I really think that some new ideas are needed. Next, I would like to have an Event Coordinator, who would schedule and set up events, i.e. picnic, Xmas party, parades, fund raisers etc. and any other event they would come along or they would think up. In the past years, our club ladies had gotten together and made items for the animal shelter, for the fire department and done things for the needy folks. This would fall under the Community Service person. We have not had one in such a long time, it would be in our benefit to have one now. We need to get our good name back out there in something other than complaining about trail closures. If you would like to have one of these jobs please please call me at 683.0526 and I can explain it to you. You will not have to do any of these jobs alone; there will be someone there to help you along until you are ready to fly by yourself. I will also mention this, if we don't get someone to step up and at least give it a try, there is going to be a major change come January of next year. So please think about it, this is also your club.

## FREE WEB-SITES TO GET

I strongly recommend that you check out the following free web-sites. All you have to do is type in the letters, and it will come up. They are free, and have the latest information concerning all of us who ride ATV's. Check out: All Terrain Vehicle Association (ATVA), Americans for Responsible Recreation Access (ARRA) and the Blue Ribbon Coalition (BRC). ARRA might be the best one for you to get the most information from quickly. They will send you a newsletter each month telling you what is happening all over. They will even write the letter to the politicians for you, all you have to do is click on it....bang it's done. Check them out. Also, you might want to check out our web-site. We have a new Web Master, and it seems to be running great, take a look.

## ATV TRAINERS

If you would be interested in becoming a certified ATV instructor taught by IDPR, please let me know. Call me at 208.683.0526 for information.

## NOTICE

As has happened in the past, there had been changes made to the ride schedule. It is virtually impossible for me to contact everyone on the phone to notify them. It would be advisable for you to check your e-mail just prior to a ride, to make sure that there have been no changes to it.

## MEETING INFORMATION

**The Board Meeting and the General Meeting will both be held at the PIZZA FACTORY on Appleway and Hwy 95 in Coeur d' Alene.**

**BOARD AND GENERAL MEETINGS:** the board meeting will start at 5:30 pm just prior to the general membership meeting at 7:00 pm, on the **THIRD** Tuesday of each month.
