IDAHO (May 12, 2011) during the 2011 legislative session, the Idaho Recreation Council worked with legislators to pass SB1001. The passing of this bill brought a couple of key changes to Off-Highway Vehicle (OHV) education requirements in Idaho.

How does this impact you?

All unlicensed riders who wish to operate an OHV on National Forest roads are required to take an OHV safety course.

All riders age 15 and under who wish to operate an OHV on roads must be supervised. The definition of supervision was clarified to mean that if you are riding on any road with your child you must be in a position to provide close support, assistance or direction. If you are not riding with your child you must be within 300 ft when supervising their operation on any road. You must be in a position to provide close support, assistance or direction.

Santa clause will be giving out presents to the boys and girls. It would be real nice if those of you that do show up would bring a gift not wrapped for the little ones ages babys to 16 years. For those of you that have other plans on the 15th and would like to bring a present to your Christmas party on the 10th for the Snakepit it will be delivered for you, it would be greatly appreciated.

We would like to wish everyone a very Happy Holiday!!!

Well we are near the end of another year! Time sure goes fast. We have had some really good rides Thanks to Chris Bennett, Carol Hunt (Wallace area) and Brian Dunham (Sandpoint area). We had a real nice camp-out at Ludlow Meadows Where Chris Bennett and Joe Saffeels took us on some trails we had not been on before. The night ride was a lot of fun other than the dust. The camp pot luck was really good, although a lot of people would have liked to have been able to take a nap after all that food.

All and all I think the year went well. We hope to be able to start riding a little sooner next year. (weather permitting)

We would like to extend our thanks to all of the volunteers that helped us put things together this year, without your help we could not have done everything.

We did lose two of our members this year. We will remember them for a long time. Our heart goes out to their families.

Ken and Kathy Chrisp

It would be great if everyone wore helmets this next year, and if you happen to have a radio... bring it along too. I am sure there is going to be more road riding this year thanks to our Forest Service
