It was good seeing everyone at the meeting in January. I wish more of you could have been there! We had the final drawing for the money we raised at our meetings. **Bill Tapper** won **\$115.00**. Way to go Bill!

For those of you that did not show up for the meeting, here is a rundown:

Jenny Williams with American Income Life Insurance Co. was our guest speaker. She explained that the Accidental Death and Dismemberment Benefit has gone up to \$3000.00. Remember this is at no cost to you as long as you are a member of Back Country ATV Association Inc. There is additional Benefits if you are interested. Jenny will be sending forms for me to send to you .

The Board of Directors have unanimously agreed to make a change in the By Laws. The Article they want to change is:

Article 1V section 1-E. Honorary Members: Persons worthy of special recognition for activities and accomplishments in furtherance of the purposes and goals of the Association. Must meet specific criteria established by the Board and be elected by the Membership. This is a non-voting membership.

The Board would like to change it to read: Honorary Members: Persons worthy of special recognition for activities and accomplishments in furtherance of the purposes and goals of the association. Must meet specific criteria established by the Board and be elected by the Membership. They shall have one vote.

This will be brought up at the February 15th General Meeting for your vote! Please be there!

We Nominated Harold & Judy Morris, and Richard & Bert Lambert as Honorary Members for all that they have done for Back Country ATV. This was approved unanimously at the meeting.

Kenny V's studded ATV tires

Kenny v's auto & tire LLC have been studding ATV tires for playing and plowing in the snow and ice for quads and utility vehicles now and have had very good success with it with traction, it's not as hard on the vehicle as chains are either. Most tires can be done but there are a few that the tires will not accept a stud, and the tire needs to be at least half tread to be studded, but some people have after market wheels and tires for their ATV they could use the stock tires and rims for plowing with. They are not the racing spikes that you would see racing on frozen lakes, but the studs you would see on passenger car and light truck applications.

Insurance Quotes for ATV's

One of our members has went and bought himself and better half a new Polaris 800 two-up (Dennis & Jean Smith).their Insurance company sent them a bill for \$265.00 a year not long after they received a notice from Polaris-Markel American Ins. Co. They got a quote for their new ATV and it was \$130.00 a year .They will insure all major brands of ATV's including side-by-sides but will not insure Can-am or Arctic cat two-ups. If anyone would like to contact Polaris-Markel American Ins. CO. you can call 1-866-333-2293 or e-mail them at insure polaris.com.

North Idaho OHV Park

A group of OHV enthusiasts, working with a local property owner of approximately 900 acres, would like to create a family friendly OHV Park in Kootenai county, similar to the popular OHV Park in St. Maries.

A much needed asset in our area with over 11,000 registered ORVs in Kootenai County. It would offer year round use with riding opportunities that are not available when Forest Service trails are seasonally closed.

The OHV Park would also create opportunities for non-motorized use, such as mountain bicycling, horseback riding, and hiking.

The OHV Park would be created and maintained through IDPR (Idaho Dept. of Parks and Recreation) grants and volunteers. The proposed grants would offset the property taxes of the land owners and would also allow a long term lease agreement.

A proposed agreement with Kootenai County would be needed to provide oversight through their Parks Department and also to create general liability insurance coverage for OHV Park operations.

This great opportunity is still in the early stages of development with a lot more to accomplish before it can become a reality. We will try to keep you all posted on any updated information that will benefit all of the OHV enthusiasts in our area. Until then, Ride Safe!

Jay Hastings from Marsing, Id. has been asked by Kilgore Adventure Rides to lead the Hells Canyon ride at White Bird, Id., this year. The rides will be on Memorial Day week-end. It will be the same rides we went on last year. It was a lot of fun and at times challenging, but the views were awesome. There is nothing to compare it to. You will need to take a lunch and carry extra gas as the rides are about 80 miles each. You can call Kilgore Adventure RV Park for reservations. 1-800-469-8757 For more information call HAROLD MORRIS 208-665-2046 or 208 660-8992

SPECIAL RIDE NEXT YEAR **JEFF KNOWLES**

When planning your next vacation, load your 4-wheelers and UTV's and, come join us for a great riding experience. You will access the trails right from your camp site right down the city street. Utah is the friendliest ATV state in the country. We

want you to come and ride! I thought North Idaho had some great trails until we discovered Utah. If you like the trails around Wallace, then multiply it 100 fold, pack you're fishing gear and fish right off the trails. There are lots of small towns along the way to gas up and get some great food. When you make your reservations, tell them you heard it from Jeff and Jeanne, and I'll make sure you get a great deal on your stay. Let me know when you are heading our way and I will plan a great outing to see some spectacular sights.

Lizzie and Charlie's RV/ATV Park is located in the heart of the Paiute Trail in Marysvale, in south central Utah. The Paiute Trail is a 238 mile loop over three mountain ranges offering over 800 miles of intersecting trails, through many small towns, offering food, accommodations and gas, for those who want to experience a great trail riding vacation.

Lizzie and Charlie's RV/ATV Park is approximately 890 miles from you in North Idaho, a quick 15 hour trip down Interstate 15. We have over 100 RV spaces, 10 cabins, and 2 and 3 bedroom cottages available along with many tent sites.

So, next summer get the gang together and make the trip down here, you will not be disappointed. As earl always said "Lets Ride"
