## HOO DOO MOUNTAIN RIDE

**The Hoo Doo Mountain ride was really great! There were riders from both BCATV and Panhandlers. It was mostly trails and UTV friendly. It was tight in a few places but the UTVs made it through. John Fitzgerald led the ride and did a fantastic job. The views were breathtaking. I hadn't been there before and I was amazed at the view we had along the trail and especially at the top. Thank-you John for taking us on such a great ride!!!**

## RATHDRUM DAYS PARADE

**It is that time again! July 21<sup>st</sup>. is the Rathdrum Days Parade. We had so much fun last year that we would like to do it again. The theme this year is RED, WHITE AND BLUE SUPPORT OUR TROOPS. We are going to try and get a booth in the Jr. High parking lot. If we can we would like to set up a barbeque after the parade. If you are interested in riding in the parade contact Kathy Chrisp at (509) 473-9032 .**

**IDAHO (May 12, 2011) during the 2011 legislative session, the Idaho Recreation Council worked with legislators to pass SB1001. The passing of this bill brought a couple of key changes to Off-Highway Vehicle (OHV) education requirements in Idaho.**

**How does this impact you? All unlicensed riders who wish to operate an OHV on National Forest roads are required to take an OHV safety course. All riders age 15 and under who wish to operate an OHV on roads must be supervised. The definition of supervision was clarified to mean that if you are riding on any road with your child you must be in a position to provide close support, assistance or direction. If you are not riding with your child you must be within 300 ft when supervising their operation on any road. You must be in a position to provide close support, assistance or direction.**
