This will be Jeff's last meeting with us as he is retiring in April.

- Nancy passed out the “map booklet” that the club put together with the maps obtained from Joe, Dan & David. Anyone who has not received a copy, and would like one, please contact Nancy.
- Arnie told the club that the Reciprocity bill for the State of Idaho did not pass. He explained that Idaho will not be charging our neighboring states for use to ride in Idaho. Dan then explained that Montana is now charging Washington residents for a permit to ride in Montana. Idaho residents will still not be charged.
- Our ride schedule was passed around to the members and we had several people sign up to lead rides. Depending on the weather and the mountain snow, we will attempt to ride mid –May to the first part of June. Several new rides were submitted.
